

# THE SUSTAINABLE PARTNER

*Texture catalogue*

## ***About us***

We are experts in the production of wet cat and dog food with established activity for more than 30 years. We are suppliers to Europe's leading premium brands and major retailers.

We have been committed to sustainability since our beginnings. We are true advocates of this cause and proudly call ourselves 'Sustainable by Tradition'.

## ***We make it easy***

We'll support you throughout the whole process, from conceiving your idea to the product's final delivery.

# Our formats

All of our premium recipes are sold with sustainable packaging options.

We cover the widest range of can sizes (70g. - 85g. - 95g. - 170g. - 185g. - 290g. - 400g.)

and especially in Tetra Recart® carton packaging ( 95g. - 190g. - 320g. - 375g. - 420g. - 480g.) estimated grammages\*

This carton packaging is 100% renewable and recyclable, and easy to use, and is considered the most efficient and cost-saving option thanks to its logistical advantages (ideal for e-commerce).
